INSTRUCTIONS FOR PARENTS

Safety Warnings

- ▶ It has been reported that in rare cases, bright lights or brightly flashing lights can cause temporary muscle spasms, or loss of consciousness, in some people. If you think you might be subject to any of these conditions, please consult your physician before use. Additionally, if you experience any of these conditions while using the software, stop playing immediately and get examined by a physician.
- ▶ When playing for extended periods of time, it is cautioned to take 10-15 minute breaks every hour.
- ▶ It is cautioned to avoid play while tired or deprived of sleep.
- ▶ While playing, it is cautioned to position yourself as far away from the TV as possible.

Usage Warnings

- ▶ After use, please be sure to remove the Loopy SV-100's AC adapter from the outlet.
- ▶ Avoid using or storing the cartridge under extreme temperatures, and please protect it from shock. Do not disassemble under any circumstances.
- ▶ Please don't touch the cartridge connector, or expose it to water or dirt. Doing so may cause malfunction.

- ▶ Do not introduce chemical solvents such as alcohol, acetone, or thinners when cleaning.
- ▶ Please ensure the Loopy SV-100 power is off when inserting or removing the cartridge.

Connecting to a TV

- ▶ Connecting to a TV should always be performed by a parent or guardian. If done by a child or someone unfamiliar with the equipment, there is a risk of electrical shock or other serious accidents.

Inserting Cartridges

- ▶ Take care to insert and remove the Game and Seal cartridges properly. Improper insertion or removal can cause malfunctions.

Especially when used by small children, please ask a parent or guardian's help.

Please consult the Loopy SV-100 manual for detailed information regarding connections.

Memory Backup Feature

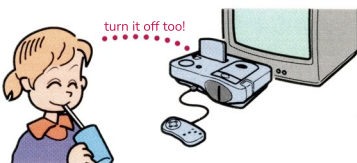

- ▶ This game cartridge is equipped with a memory backup feature which records your progress during play. However, please be aware that data may be erased by suddenly switching off power, improperly inserting or removing the cartridge, or even service of the cartridge.

In the text of this manual you will find headings marked: "To Parents & Guardians." Please share this information with children who will be playing the game.

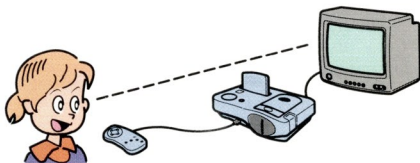

BEFORE YOU PLAY

Please follow these rules!

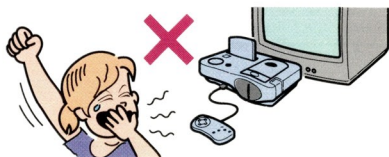

- ◆ Take a short break of 10-15 minutes for every hour of play.

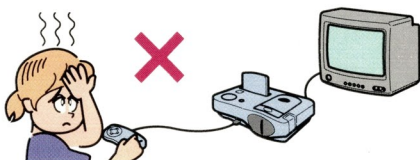

- ♣ Sit as far away from the TV screen as you can.

- ♠ Please don't play if you're feeling tired or sleepy.

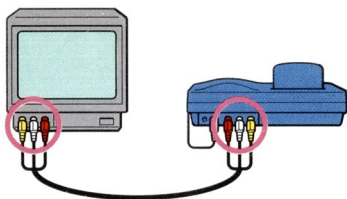

- ♥ If you start to feel weird while playing, stop playing and tell an adult.

Ask an adult!

? Is your Loopy properly hooked up to the TV?

? Is "Puppy Love Story" inserted securely?

To Parents & Guardians

Connecting to a TV should always be performed by a parent or guardian. If done by a child or someone unfamiliar with the equipment, there is a risk of electrical shock or other serious accidents.

Insertion and removal of game and seal cartridges should also be performed by an adult. Improper insertion or removal can cause malfunctions. Especially when used by small children, please ask a parent or guardian's help.

Please consult the Loopy SV-100 manual for detailed information regarding connections.

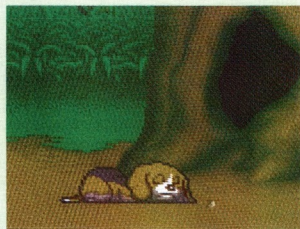

SEALS YOU CAN MAKE

MEMORY SEALS

- ※ Among the seals from the Land of Memories, there are 25 seals that come with a story attached. Collect all of these and you can make your very own “Puppy Love Story” picture book!

PUPPY SEALS

※ Your puppy can do so many different poses.

Make a seal out of your favorite!

**But... you have to complete the game first!
Then the real fun can begin.....**

INTRODUCING THE CAST OF CHARACTERS

MOMO

(You can change
my name!)

That's me! Just a normal (I think...) girl who goes to elementary school. For my birthday, Papa got me a puppy. I was so, so happy! One day, we went on a journey together...

BARKLEY

(You can change
my name!)

The puppy I got on my birthday. Isn't he cute?! He's a very clever boy, as well. He saved the day in the Land of Memories, and kept me safe.

PAPA

MAMA

THE LAND OF MEMORIES

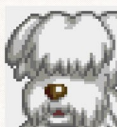

The people I met in the Land of Memories...

LONG-LOST FRIENDS

My precious memories... I missed them all so much!

Grandpa

Captain

Momo-01

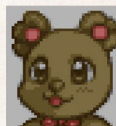

(My name will change!)

Judy

Gunbot

Barry

NEW FRIENDS

Mr. Clock

THE VEGGIE CORPS

I don't even want to look at them any more!
...is what I'd like to say, but we have to find a way to
get along... somehow...

The Dark Lord
Cabbage

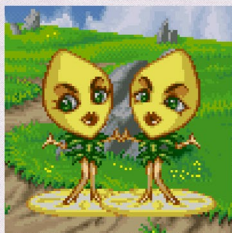

Cucumbros

Potato
Bombombs

Hallo-Pumpkin

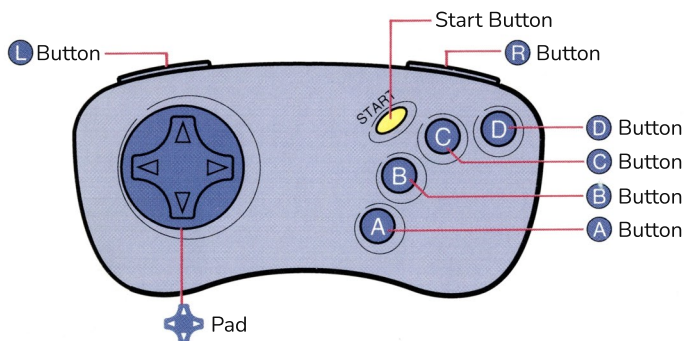

Miracle Lemons

The Big Cabbage

CONTROLLER GUIDE

 Pad Press to move directions, choose options

 Button... Press to continue, or confirm a selection

 Button... Press to cancel, return, or delete

 Button

 Button } ...Not used by "Puppy Love Story"

 Button... Press on the title screen to start the game

When you see the ▼, press the  button!

Welcome to the world of
"Puppy Love Story!" ▼

 button to continue
to the next screen

STARTING/ENDING PLAY

STARTING

- 1 Switch on the Loopy SV-100.

- 2  Press Start!!

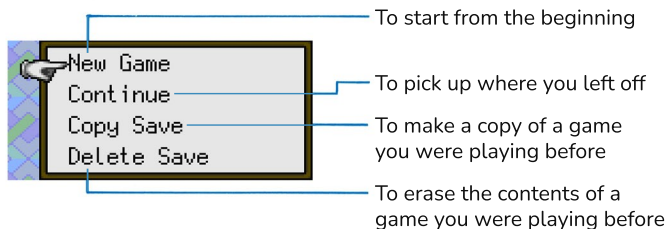

Oh, I remember! When you see this mark, hit the...  button!

- 3 Choose from the options.

You can find some basic instruction here.

Remember, press the **A** button to make a choice!

To cancel, use the **B** button!

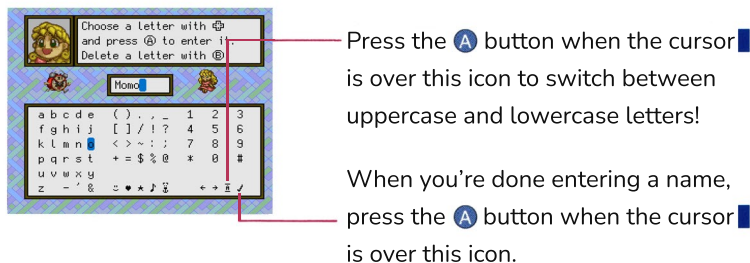

Choose a “me & my puppy journal!”

You can use up to three at once.

After choosing “New Game”

Now to pick a name for the main character! It can be up to 8 letters long.

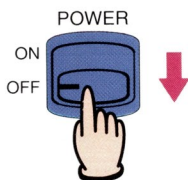

Remember this! When it’s time to pick a name for your puppy, you’ll use the same method. Your puppy’s name can also have up to 8 letters!

**YOU’RE READY...
LET THE ADVENTURE BEGIN!**

Switch off the Loopy SV-100.

Next time you play, if you choose the same save, you should be able to continue where you left off, or a little bit before it.

DON'T LET THE VEGGIE CORPS WIN!

Along your travels, the Veggie Corps will try to jam you up any way they can, with puzzles, mazes, and games!

You'll learn how to play a bunch of different games during your adventure. The first time you play, be sure and choose "Yes, explain!"

LET'S MAKE A SEAL!

Verify before making a seal...

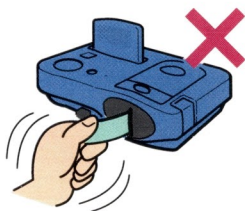

Is the Seal Cartridge properly installed in your Loopy SV-100?

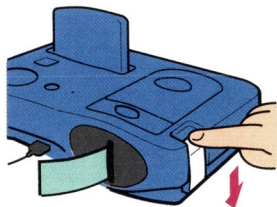

Is the Seal Cartridge Cover of your Loopy SV-100 securely closed?

While your Loopy is working...

- ▶ Don't remove the Seal Cartridge cover!
- ▶ Don't pull on the seal paper!
- ▶ Don't depress the cut button before the print finishes!

When the seal stops moving, and you don't hear printing sounds any more, press the cut button!

LET'S STICK THAT SEAL!

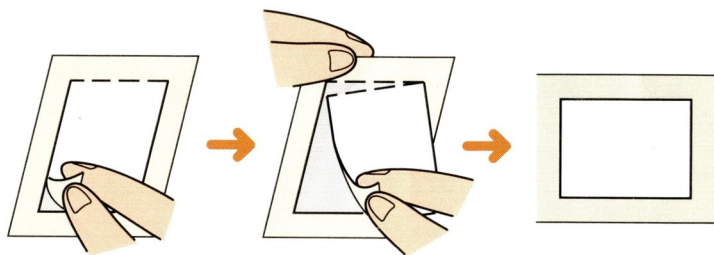

Seals won't stick to...

- Rough surfaces
- Dirty, oily, or wet places

Please don't stick your seals...

- On your body or other people
- On food or drinks
- On cups, utensils, or anything you put in your mouth
- Places that will get lots of direct sunlight
- Places that might get hit by rain or water
- Anywhere that might harm or annoy other people

- 1 Peel off the backing, and stick it!

If you remove a seal after sticking it, some adhesive may remain behind.

AFTER-SALES

● To request repairs

Please inquire with the seller or a Casio Service Center for service.

If the product can be repaired, repairs will be made by request, for a fee.

● Please understand the following before service

Items you send in for repair may be replaced partially or completely.

Your saved data cannot be guaranteed.

● If you're not sure how to proceed

Please contact the seller, or a Casio Service Center listed in this manual.
